NARRATIVE

On 1/9/2020, I, Detective Perez, and Detective Taveras responded to City MD located 32 JSQ for a reported suspicious condition. Upon arrival, I met with the reporting party, Bouazza Ouaziz, who was inside the doctor's office getting treated for a complaint of pain to his anus that he believes was caused by his wife, Noura ElGazoini, or her boyfriend (Robert Rodriguez, whom he has never met) while he was passed out asleep on Dec. 16, 2019. I offered Mr. Ouaziz medical attention which he did refuse. I did ask Mr. Ouaziz if he was willing to speak with me and provide me with a recorded statement inside of the West Detectives statement room to which he agreed. The following is a brief synopsis of the interview (not verbatim):

- Mr. Ouaziz stated that he has been married to his wife since March 14, 2019 and had been living with her since July, 7, 2019. Since moving in with her, Mr. Ouaziz did say he would begin to randomly pass out on numerous occasions for approximately 2 hours at a time with no recollection passing out. Mr. Ouaziz believes that his wife was drugging him by adding drugs to his food and his cigarettes so that she could have sex with her boyfriend, Robert Rodriguez, who would hide in the closet waiting for Mr. Ouaziz to pass out. Mr. Ouaziz believes that his wife was having sex with her boyfriend next to Mr. Ouaziz in the same bed as he was knocked out.
- Mr. Ouaziz states that these unexplained episodes continued for months from September to November yet he still kept eating the food she was making for him. Mr. Ouaziz did go through his wife's phone and did find conversations between her and a man named Robert Rodriguez but did not go into specifics of conversations between the two. I did ask Mr. Ouaziz if he worked because I tried to explain to Mr. Ouaziz that it would be much easier for his wife to have an affair while he was outside of the apartment working or she could just leave the house to see her boyfriend. Mr. Ouaziz could not explain why but said his wife did not like to go outside. Mr. Ouaziz does believe this "Robert" would hide in the closet and wait for Mr. Ouaziz to pass out. Also Mr. Ouaziz's wife would never allow him to go inside the closet where Mr. Ouaziz believes his wife would hide "Robert" despite the fact that he was the only working household member who paid all the bills and rent.
- On Dec. 19, 2019 Mr. Ouaziz recalls another unexplained episode of him passing out next to his wife but Mr. Ouaziz said this time was different because he had pain to his anus when he had wakened in his bed. When he woke he felt discomfort to his stomach & anus and remembers inserting a finger in his anus and finding traces of blood on his finger. Mr. Ouaziz does not recall any other foreign substances in his anal area such as saliva, lubrication, lotion, semen, etc....Mr. Ouaziz found this suspicious and believes his wife or her boyfriend had sex with him while he was incapacitated. Mr. Ouaziz then decided it was now time to separate from his wife and moved to his new residence of 377 Pacific St, Paterson NJ.

Be advised, Mr. Ouaziz did wait til Jan 9th, 2020 to see a doctor and report the incident. After the interview was concluded, I, did escort Mr. Ouaziz to his 24 Reed St apartment 1D so that he could retrieve mail. Mr. Ouaziz did have keys to the apartment. His wife was sleeping when we arrived but did get out of bed to speak with us.

I did ask Ms. ElGazoini to allow me to look at the layout of the apartment. I was allowed to look inside the bedroom and saw the layout of the closet where "Robert" would allegedly hide before having sex with Mr. Ouaziz's wife. The closet was cramped and small in space. Although not impossible, it is unlikely for a full grown adult male to hide in the closet in a minimal amount of space undetected for any period of extended time.

Detective C. Taveras did contact Special Victim Unit and spoke with Sgt. Peter Kwon who did advise Detective Taveras that they would not be following up with the case. I did advise Mr. Ouaziz that it was difficult to substantiate his claims due to the elapsed time frame but I would document the suspicious incident. I also advised Mr. Ouaziz to follow up with a physician to ensure he was in good health. A copy of Mr. Ouaziz's statement was burned onto DVD and placed into evidence bag #PM0022807.

ATTENDING PHYSICIAN: Anne Mongiu, MD
ASSISTANT PHYSICIAN: First assistant William Plath, MD, PGY-1
TEAM: Colorectal surgery.
ANESTHESIA: Monitored anesthesia care with sedation.

PREOPERATIVE DIAGNOSIS: Chronic anal fissure.

POSTOPERATIVE DIAGNOSIS: Chronic anal fissure.

NAME OF PROCEDURE: Rectal exam under anesthesia with Botox injection to internal anal sphincter.

ESTIMATED BLOOD LOSS: 1 mL.

FLUID REPLACEMENT: Please see anesthesia notes.

SPECIMENS: None.

DRAINS: None.

COMPLICATIONS: None.

UNEXPECTED OCCURRENCES: None.

INDICATIONS: This is a very pleasant gentleman in his early 40s who presents with a chronic anal fissure, which has been recalcitrant to treatment with diet and lifestyle modifications as well as a topical compounding cream. He wished to proceed with rectal exam under anesthesia with Botox injection to the internal anal sphincter. We discussed the risks, benefits and alternatives to the procedure, including bleeding, infection, damage to the anal sphincter with injections although this is highly unlikely, temporary incontinence lasting up to 90-120 days. Patient agreed, asked appropriate questions, and gave his verbal and then written consent on the morning of the procedure.

OPERATIVE REPORT

DATE OF OPERATION: 08/26/2020

PATIENT NAME: OUAZIZ, BOUAZZA

MED REC #: 82274140

ACCOUNT NUMBER: 001615060

ATTENDING PHYSICIAN: Anne Mongiu, MD

DESCRIPTION OF PROCEDURE: The patient was brought into the operating room and identified by 2 separate identifiers. He was then placed supine upon the operating room table. He underwent successful sedation with monitored anesthesia care. At this point in time, he was moved into high dorsal lithotomy position using candy cane stirrups. He was prepped and draped per the standard protocol. A complete surgical timeout was performed utilizing the template present on the OR wall. Agreement was given by all present.

At this point in time, we performed a rectal exam using a well-lubricated index finger. In the posterior midline is noted a woody anal fissure with a small sentinel pile. This bled easily just on the most delicate of exams. We then lifted the perineum itself, which was otherwise normal. A small Sawyer retractor was then used to examine all 4 quadrants of the anal canal. No masses were noted. Grade 1-2 internal hemorrhoids that were nonbleeding were seen. At this point in time, we proceeded with a Botox injection. This was done for a total of 100 units of Botox mixed sterily with 2 mL of sterile saline, 50 units was injected in small 10-unit aliquots on each side of the fissure, beginning in the posterior midline and going up to the anterior midline. Once this was done, there was good hemostasis. A pudendal nerve block was performed using a total of 20 mL of a solution comprising 10 mL of Exparel and 10 mL of 0.5% Marcaine plain. Once this was done, the patient was returned to the supine position, awakened from sedation, transferred to the stretcher and brought to the PACU in excellent condition. At the end of the case, all lap, sponge, instrument, needle counts were correct.

I, the attending surgeon, was present and scrubbed throughout the entirety of the procedure.

THIS IS A PRELIMINARY REPORT AND MUST NOT BE CONSIDERED FINAL UNTIL ACCOMPANIED BY A PHYSICIAN SIGNATURE.

Dear Bouazza Ouaziz:

The Civilian Complaint Review Board has a specific jurisdiction when it is investigating allegations against sworn members of the NYPD. Some allegations do not fall under the jurisdiction of the CCRB and fall under the jurisdiction of another entity, which is the case here.

As a result, we are forwarding your complaint to the **Internal Affairs Bureau**, so they can take appropriate action. Please expect to hear from someone from that organization who will be investigating your incident. They will be able to explain to you in detail how their process works. Your continued willingness to participate in this extremely important process with the **Internal Affairs Bureau** is greatly appreciated.

If you have any questions, please contact the **Internal Affairs Bureau** at **315 Hudson Street 3 Fl, New York NY 10013; telephone (212) 741-8401**. Make sure you have the reference number at the top of this page when reaching out to them.

The integrity and quality of the Police Department's service to the public depends, in large part, upon receiving information from citizens like you regarding the performance of police officers as they carry out their duties. The Civilian Complaint Review Board is grateful for the effort you have already put forth in furthering this goal.

Sincerely,

Eshwarie Mahadeo
Director of Case Management

Kalb v. Luce ,291 N.W .841,234,WISC509

5. Petitioner hired gregory gorodstsky to represent him in this matter after I found Yvette Clarke office (petitioner is democrat party been voting and supporting democratic member including Yvette Clarke since became American citizen 2014 with all due my respect to other pollical parties)in Brooklyn conspired to defraud united states of America and organized public department immigration ,and put life and liberties of petitioner in danger and office of Yvette Clarke knew and they have reason to know that petitioner is in annulment proceedings in Hudson county since 09,2019 and intentionally and maliciously and willfully involved in conspiracy to commit crime against petitioner and his girlfriend and conspired to aid and abet crimes with reckless disregard to petitioner constitution rights and liberties and to gain and enrich their service provider politically and economically ,

8. Judge Gregory geildamn who is a judge in Richmond county jumped to my case to kings county with no personal jurisdiction over my case and he told me I don't have available attorney this time , and he told me anything you said isn't relevant and I had never said anything yet ,the supreme court ,in re Eugene lee Armentrout et al ,99Ill.dec.703,457N.E.2d 1262(1983), stated that "fraud encompass a broad range of human behavior ,including *****anything to deceive *****whether it be by direct falsehood or by inuendo , by speech or by silence ,by word of mouth or by look or gesture". A void

judgement which include judgment entered by a court which lack jurisdiction over the parties or subject matter, or lack inherent power to enter the particular judgment or an order procured by fraud ,can be attacked anytime ,in any court ,either directly or collaterally”long v.shorebank development corp.182f.3d548(C.A 7III(1999). The presence of malice and the intention of deprive a person of his civil rights is wholly incompatible with judicial function .U.S supreme court reports pierson v.ray 386U.S .547.568; when a judge acts intentionally and knowingly to deprive a person rights , he exercise no discretion or person judgment , he acts no longer as a judge , but as a minister of his own prejudices 386 U.S .547.568. judges considered biased if they show pattern of behavior or ruling in manner that is :1. preventing or hindering litigant full and fair , impartial hearing administration of justice or, 2-there is evidences which would reasonable person believe they could be prevented or hindered from receiving full, fair impartial hearing or the full , fair ,impartial administration of justice , 3. Rule 50.3.1 (b) provides that "A civil case shall not be deemed "related" to another civil case merely because the civil case: (A) involves identical legal issues, or (B) involves the same parties."
